Ephesians 4:4

Approaching quickly is my first-year mark of being the Pastor of Jennerstown Community Church! Reflecting over the past year has included moments of joy, times of grieving together, celebrations, and navigating through transition. In fact, the first message series that I presented at JCC was the reality that even though things change on this earth, God NEVER changes. I am reminded of Isaiah 43:19, "Behold, I am doing a new thing," and in 2 Corinthians 5:17, "Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come."

JCC is getting ready to go through more transition as new individuals will be chairing committees, new members will be stepping into ways to serve, and new ministry groups have been launched, and will continue to be launched. I am continuing to pray for God's direction and guidance as together we seek His will, His way in how we all will be serving, emulating the nature of Christ in everything we do and speak. I also encourage you and your families to be consistently praying, and diving into His Word, not just hearing the Lord's Truth but, acting in His Truth and in His Way.

May this next season be one where we will experience even more of The Holy Spirit!

Many blessings to you and your families!

Pastor Patrick & Leanne
